

**Ministry of Education of the Republic of Azerbaijan,  
Azerbaijan University of Architecture and Construction  
Head of the laboratory of the Department of Physics and Chemistry  
Allahverdiyeva Sara Adalat**

### **Information**

She was born on August 9, 1990 in Baku. In 1998-2008 she studied at the school No. 260 of Khatai district.

In 2008 she entered the full-time department of the Faculty of Chemistry of Baku State University. She graduated from the University in 2012 with a bachelor's degree.

In 2013, due to marital status, she moved to Ganja and in the same year entered the master's department of Ganja State University. Graduating from the University in 2015 she received a master's degree in "Physical Chemistry".

In 2015, she took a course at the Aztest laboratory under the State Agency for Standardization, Metrology and Patents of the Republic of Azerbaijan.

Since 2019, she has been working as a laboratory manager at the Department of Chemistry (now the Department of Physics and Chemistry) of the Azerbaijan University of Architecture and Construction.

**Field of research:** Properties and application of heterocyclic organic compounds. Synthesis and some decomposition of 1-tetrahydrofurfuril-3-benzylamino-2-propanol and propantiol. Republican scientific-practical conference "Problems and development trends of modern chemistry" dedicated to the memory of national leader Heydar Aliyev. Baku 12 December 2020. Certificate
