

Name, patronymic, surname	Azer Arastunoğlu Kasımcı
Academic degree, position	DSc, Professor, Department of Mechanics; Director of the Earthquake Engineering Scientific Research Center
E-mail address	azer.qasimzade@azmiu.edu.az , azer@omu.edu.tr , https://personel.omu.edu.tr/tr/azer
Education	High
Joined AUAC	1984-1995, Professor Department of Structural Mechanics since 1992
Subjects taught	Structural Mechanics; Structural Dynamics; Information Technology of Structural Engineering
Publications	Author, co-author about 13 book and monograph, about 110 papers, patent; participated in about 15 international projects as an engineer, senior researcher, advisor, director;
International experience	<ol style="list-style-type: none"> 1. Ondokuz Mayıs University, Turkey, High Education Institution's visiting professor 1995- 2022; 2. Kobe University, Japan, visiting professor, joint project researcher, 2014-2015; 3. NATO Project director, 2013; 4. New Jersey Institute of Technology, Dept. of Civil & Environmental Engineering; Newark, New Jersey, USA, research fellow, 1991; 5. Princeton University, Dept. of Civil Engineering & Operation Research; Princeton, New Jersey/ USA, research fellow, 1991; 6. Moscow State Civil Engineering University, joint project researcher 1981-1983, 1989-1992; 7. All-Union (USSR) State Main Scientific Research and Design Institute GIPROMORNEFTEGAZ^{*2}, engineer, joint project researcher 1978-1984, 1985-1992; <p>Participation in International Conferences: 17WCEE, Sendai, Japan, 2021; IP, Osaka University, Osaka, Japan, 2020; TAM15, Salerno University, Italy, 2015; DS15, Osaka University, Osaka, Japan, 2015; ICACC-2013, Saypen, USA, 2013; DS11, Hyogo University, Kobe, Japan, 2011; IMETI-2009, Orlando, Florida, USA, 2009; IOMAC 2009, Porto Novo (Ancona), Italy, 2009; SMART 09, Porto-Portugal, 2009; MERCEA'08, Reggio Calabria and Messina, Italy, 2008; 9TH US NCCM, San Francisco, USA, 2007; EVACES'07, Porto, Portugal, 2007; IOMAC 2007, Copenhagen, Denmark, 2007; 1st ECEES, Geneva, Switzerland, 2006; ICC-2006, Glasgow, United Kingdom, 2006; 1st IOMAC, Copenhagen, Denmark, 2005; SSTE Osaka, Japan, 2004; 1st IMCEE, Ciudad Real, Spain, 2003; ICSM&GE, Istanbul, Turkey, 2001; ICCESXXIS, Moscow State Civil Engineering University, Moscow, 2000</p>
